PERFORMANCE ASSESSMENT is a valuable tool to assess your level of performance within each dance based on specific feedback from qualified adjudicators (3 minimum per dance). You will be judged based on the WDSF 3.0 System in which you will receive a score out of 10.0 (perfect score) on 4 elements: *Movement To Music, Choreography and Presentation, Technical Quality, and Partnering Skills*. You may also receive additional comments specific to some aspects of your dancing. This type of feedback is not available by just competing in an event and receiving a ranking among the couples in your event.

Based on the feedback from the assessment, you may then work with your teachers and coaches to address the specific weaknesses to improve your overall performance. This is valuable tool whether you are a regular competitor or a dance enthusiast, professional or amateur or social dancer. When done on a regular basis you will be able to improve and advance your dancing more quickly.
